FREE Admission

Saturday 23th June, 2018

12.30pm

Coronation Park, Wondai

Presented by Blue Gum Farm TV - “KoalaRumba” is a fun and interactive show for children that celebrates life in the Australian bush. Featuring beautiful songs, cute characters and all the fun of the farm, this is a show that children find irresistible!

From tending the vegetable garden at the homestead to driving your tractor to plough a new paddock, this authentic bush story is a must-see for children everywhere.

Presented by 4th generation farmer Cilla Slack, the “KoalaRumba” crew will have everyone singing and dancing along.

About Blue Gum Farm TV:

Based on a working cattle property in Queensland Blue Gum Farm TV produces a TV series and live children’s concerts about life in the bush. Through music, song and story telling the program aims to celebrate the life and industry of rural communities while sharing the adventures of farm life with city children, who otherwise don’t get to experience life in the bush.
